The Discovery Learning Center is a volunteer run organization. In order to keep prices low we rely on the community we serve. A small contribution of your time goes a long way. There are a variety of tasks we need to accomplish from helping with the Lending Library to pulling weeds.

I am interested in volunteering to help with:

day-to-day activities the lending library board of directors
 a class or activity one time job (like bringing paper towels, dusting, etc.)

I would like receive the Weekly Newsletter (e-mail) about events and hours. Yes No

We occasionally take photos at DLC events for use on our website and in our brochures. Children in photos are never identified by name. Checking "yes" below makes it easier for us to use photos we take, since it's hard to track all the children in a particular shot. The DLC reserves the right to use any photo in which children's faces are not clearly identifiable, regardless of photo permissions.)

I permit the DLC to use photos of my family on their website or other promotional materials.
